2

For while I gaze my Bosom glows,
My Blood in Tides impetuous flows;
Hope, Fear, and Joy, alternate roll,
And Floods of Transport whelm my Soul.

3

My fault'ring Tongue attemps in vain,
In soothing Numbers to Complain;
My Tongue some secret Magic ties,
My murmurs sink in broken sighs.

4

Condemn'd to nurse Eternal Care,
And ever drop the silent Tear;
Unheard I Mourn, unknown I Sigh,
Unfriended Live, unpitied Die.
